## EDUCATION

### Sabaragamuwa University of Sri Lanka

BSc(Hons) Computer Science & Technology (CGPA : 2.74)

### G/Batemulla National College

Secondary & Higher Education -  
Other Stream  
2006- 2020

## SOFT SKILLS

- Management Skills
- Leadership
- Teamwork Excellent
- Planning Critical
- Thinking
- Communication Skills
- Creativity
- Fast Learner

## PROFILE

Undergraduate BSc (Hons) Computer Science & Technology with expertise as a Full Stack Mobile Developer and UI/UX Designer. Skilled in React, Flutter, and Python, with experience building dynamic, user-friendly web and mobile applications.

## PROJECTS

### TeaLink – Mobile Application

TeaLink is a mobile app that helps tea landowners and collectors manage harvests and payments efficiently. The admin panel provides full control over the app. Built using Flutter, and Firebase, it offers a seamless and user-friendly experience.

### UniGPA – Track Your Grades, Achieve Your Goals.

UniGPA is a mobile app that helps university students calculate, track, and manage their GPA across semesters with ease, offering a simple and intuitive interface for grades, credits, and overall performance.

### Portfolio

Personal portfolio website built with React, Tailwind CSS, and Framer Motion showcasing projects, skills, and experience as a Full Stack Developer.

### Island-Paradise

A visually engaging website showcasing the beauty of island wildlife and nature. Features include an elegant navigation bar, image gallery, and immersive jungle-themed design – built to highlight trails, camping, and wildlife activities for visitors.

### Convo

A modern, secure, and lightning-fast chatting application built with Flutter. Convo allows users to connect instantly with friends through real-time messaging, voice calls, and video calls. Designed with a smooth onboarding experience, clean UI animations, and high-performance architecture.
